

Глава государства Александр Лукашенко пригласил для отдыха в Беларуси сирийских детей в январе 2018 года.

С 15 по 29 января в Национальном детском образовательно-оздоровительном центре «Зубренок» была реализована Международная белорусско-сирийская смена для одаренных детей «Интеллект. Творчество. Спорт», участие в которой приняли 144 школьника из Сирии и 100 школьников из Беларуси, которые достигли высоких показателей в учебе и в спорте, являются победителями международных олимпиад по предметам, имеют творческие способности.

Организация работы в рамках смены осуществлялась по четырем направлениям: робототехника, интеллектуальное направление, творческое направление, спортивное направление.

В программу отдыха также были включены оздоровительные и развлекательные мероприятия, экскурсионные программы, направленные на ознакомление с белорусскими традициями и культурой, достижениями современной Беларуси в различных сферах.

Реализация проекта по оздоровлению сирийских детей в Беларуси стала последовательным продолжением конструктивного развития белорусско-сирийского сотрудничества. Это содействует формированию дружеских отношений между белорусскими и сирийскими детьми.

The head of state, Alexander Lukashenko, invited Syrian children to rest in Belarus in January 2018.

From January 15 to 29, the International Children's Educational and Health Center "Zubrenok" implemented the International Belarusian-Syrian Session for Gifted Children "Intellect. Creativity. Sport", which was attended by 144 schoolchildren from Syria and 100 schoolchildren from Belarus who achieved high academic results, who are the winners of international Olympiads in subjects, who has creative abilities, who achieved high results in sports.

Organization of work within the session was carried out in four areas: robotics, intellectual direction, creative direction, sports direction.

The recreation program also included health and entertainment events, excursion programs aimed at acquaintance with Belarusian traditions and culture, achievements of modern Belarus in various fields.

The implementation of the project on the rehabilitation of Syrian children in Belarus has become a consistent continuation of the constructive development of the Belarusian-Syrian cooperation. It contributes to the formation of friendly relations between Belarusian and Syrian children.
